

## **GREENSIDE FILM FACTORY** **Government PE/ Sports Funding**

In 2016-2017 students at Greenside will have access to £84,000 for our PE/ Sports funding.

- Our work in 2016-2017 is planned to focus on ensuring an even more positive impact on performance, participation and enjoyment of PE/ Sports for all of our students.
- We will be building on our Greenside Whole Cohort experience each Friday afternoon. This year we have secured the use of 2 local Hall spaces to ensure maximum opportunities throughout the winter months! Student participation is extremely high during these afternoons and has increased as a direct result of this learning model.
- Our overall theme for the academic year is 'Personal Bests'.
- We believe PE/ Sports plays an integral part in our holistic approach to learning and it forms a strand of our World Ready programme and Specialisms. Our Specialisms also link to our PE/ Sports targets and include: A student 1<sup>st</sup> Aid course, choreography course, fitness and dance.
- We believe in the importance of PE/ Sports as a fun, collaborative experience for all students.
- Alongside this we believe in the importance of developing highly skilled professional sports students and developing the individual talents of those who show ability. We wish to support these students to compete to the best of their abilities in school, local and national events.
- We are developing Student Leaders and outdoor learning this year.
- Our work this year will include some opportunities to learn with and compete against other TEF schools in London.

We have placed a big emphasis on sustainability by ensuring that an internal person who is then able to continue such work in future years mirrors any coaching for students or staff. Our strategy for teaching and learning is now embedded as part of a 5-year Greenside plan and model.

Our 2016-2017 Government PE/ Sports funding will be spent to:

- 1) Improve the quality of the teaching, learning and progress of students within different PE and Sports activities and to increase the range of sports offered
  - 2) Increase the sporting opportunities for students with particular talent in an area
  - 3) Develop participation opportunities for students to develop healthy lifestyles
- Employing a Cricket Coach to work with students and provide CPD to staff
  - CPD for a TA to become a Sports teacher
  - Employing a Dance Teacher one day a week
  - Enhanced assessment apps
  - Student Sports Leaders awards
  - Specialism Sessions – choreography, Sports Science and Dance
  - Paying for increased entrance and training for sporting fixtures and tournaments – continued from '15-'16
  - Improving the range of experiences at break and lunch time – purchasing equipment
  - Tournaments across The Elliot Foundation
