Monday 7<sup>th</sup> January 2019

Dear Parents/carers,

On **Friday 25<sup>th</sup> January**, as part of our Spring Term class film study of 'Cosmos', our Y6 class will be heading out to one of London's most iconic buildings: The Royal Albert Hall. There we will be part of the audience for Cirque Du Soleil's 'Totem'. The performance will be the inspiration for our upcoming STEM project which is being organised by Rolls Royce and the Royal Albert Hall. Y6 students will learn about the fascinating engineering behind the stage design, design their own Cirque Du Soleil stages, with some students returning to present them at the Hall.

We will leave school at 12:30pm, travel by London Underground and return to school by **6:30pm**. This is a much later collection time than usual but it reflects the fact that the performance does not finish until after the end of our school day. We will be following a normal school lunch routine before we leave. Please ensure your child has a coat in case of bad weather. There is no cost to this trip. I am sure you will agree that this is a fantastic opportunity for our students.

Please could you email me to give permission for your child to join us on this trip:

Yours sincerely,

Daniel Mahara  
Year 6 Teacher
