Thursday 10th January 2019

Dear parent / carer,

We are planning a fabulous Year 2 trip to Kentish Town City Farm to link in with our science topic on animals and other living things. It will also hugely inspire other learning through our class film 'Charlotte's Web' where we are told the story of Charlotte, the barnyard spider, and Wilbur, the brave pig. The trip will take place on Tuesday 29th January 2019 and will involve taking a bus and train to the venue and back. If your child usually has school lunch, then a packed lunch will be provided. Please note **due to the set times of the tours we are likely to arrive back at school at 4pm** rather than the usual 3.30pm. Please make sure children are in full school uniform, have a suitable coat and plenty of water.

We always strive to ensure our trips are free, but on this occasion the City Farm do charge a £75 fee (for the whole class) which goes towards the costs of an education officer who will conduct our very own guided tour and tailor it to our specific curriculum objectives. If you are able to make any contribution to the cost of the trip it would be greatly appreciated but all students will attend the trip in anycase. Year 2 will also be arranging a small fundraiser at an upcoming Tea & Cakes event to try to raise any remaining funds needed. Details of this will be sent out to you in a separate communication as soon as possible.

Please let me know if you are happy for your child to attend by emailing me directly or speaking to myself or Ms Williams in the playground.

Should you be available, we are always in need of additional adult helpers so please let me know if you would like to join us.

Very best wishes,

Miss Laura Gilroy.
