Dear Parent / Carer

As the Spring term is now upon us, the preparation for the Y6 end of year examinations begins to move forward.

Every year at this time, we offer additional booster sessions to all students. The aim is that every student has at least one booster session across the week. The aim of these sessions is to provide a personalized revision experience in smaller groups, focusing on specific needs. They will be a mix of maths and English and are intended to help the students be as Test Ready as possible.

We offer sessions before and after school and at lunchtimes. Ideally, we would like students to have their session before or after school as this means they do not lose part of their lunchtime. However, we do want the sessions to fit in with your day-to-day timetable so anyone who cannot make a before/after school session will have the option of a lunchtime session.

We are happy for students to organize small groups themselves so they can work with their friends and so parents/carers might share the responsibility of dropping off/picking up.

The time of the sessions are detailed below. **Please fill out the slip on the next page** with your options and return to us by **Friday 11th January**. Each child should have 1 session but **please try to choose 2 slots** to give us some flexibility when timetabling. We will be looking to start the session the **week commencing 14th January**. If you are choosing an after school session, please indicate whether you will be collecting your child or if they have permission to walk home alone afterwards.

If you have any questions, please do not hesitate to contact us.

Many thanks
