

## Science Curriculum Long Term Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>EYFS</b>	Science in EYFS is taught through understanding of the world, by providing children with the opportunities and tools to explore their environment. Pupils are indirectly predicting, problem solving, observing, making decisions and thinking about the world around them through carefully planned activities. Science in EYFS is fundamentally based on pupils' curiosities and interests which encourages them to explore and develop their own scientific knowledge and understanding.					
<b>Year 1</b>	Seasonal Changes	Animals, including humans 1 - All about me	Everyday materials - Exploring everyday materials	Everyday materials - Building (based on the Three Little Pigs)	Plants	Animals, including humans 2 - All About Animals
<b>Year 2</b>	Uses of Everyday Materials	Living things and their habitats	Living Things and their habitats – Habitats from around the world	Animals, including humans 1 - Growth	Animals, including humans 2 - Lifecycles	Plants
<b>Year 3</b>	Scientific Enquiry	Animals, including Humans	Rocks	Forces and Magnets	Plants	Light
<b>Year 4</b>	Animals, including humans	Living Things and their Habitats	Living Things and their Habitats - Conservation	States of Matter	Sound	Electricity
<b>Year 5</b>	Forces	Properties of Materials	Changes of Materials	Animals, including Humans	Earth and Space	Living things and their habitat
<b>Year 6</b>	Electricity	Light	Animals, including Humans	Living Things and their Habitats	Evolution & Inheritance	Looking After the Environment
