

COOKING CLUB

**with
Ms Mehta & Ms McDonagh-Londy**

We are so excited to announce that our cooking club will be starting in the Spring term w/c 15th January. Each week the children will be cooking a yummy dish that they can take home with them. These will range from sweet and savoury treats as well as veg or non veg options. All allergies and dietary requirements will be considered when planning the terms menu.

**Club will take place after school on
Mondays at 3:45pm - 4:30pm.**

Club will be charged on a termly basis.

The price for each for session will be £8 and will need to be paid on a termly basis based on the total number of weeks in the term.
