Tuesday 7th January 2020

Dear Parents / carers,

Happy New Year to you all! We are planning an exciting Year 4 trip to the Science Museum to immerse ourselves in one of our current film's concepts; flight. The Science Museum will enable our students to think about the development of aviation through time by looking at full size replicas of different aircrafts and learning about some of the pioneering explorers and engineers within the aviation field.

The trip will take place during school hours on **Wednesday 15th January** and will involve taking an underground train to the venue and back. Packed lunches will be provided to all students. Please make sure children are in full school uniform, have a suitable coat, shoes and plenty of water.

Please let us know if you are happy for your child to attend by emailing me at the address below or by speaking to me in the playground before/after school.

Should you be available, we are always grateful for a few additional adult helpers. Please let me know as soon as possible if you would like to join us.

Very best wishes,

Miss Laura Gilroy.
