Class Teacher required for September 2021.

We are delighted that we will have a vacancy for a Class Teacher at Greenside for September 2021. We are looking for a passionate and inspirational practitioner with a love of experiential learning, the Arts and Film - at Greenside we are World Ready & Test Ready! Our shared vision and practice creates a collaborative and collective approach to research based pedagogy.

We welcome applicants from any year group - NQTs and experienced Teachers are equally important to us and encouraged to apply. Please see [G. JD - Sept '21](#)

Greenside is a wonderful one-form entry Primary that learns in a different way. We have amazingly positive students who learn with passion and are World Ready citizens. They are super kind and challenge themselves to be leaders and to make the world a better place. We teach both class and vertical groups with creativity at the heart of all of our Learning. Our learning is inspired by Film and we learn about, through and by making film.

Expectations, standards and results are high at Greenside. Teachers work hard; they are committed to our Experiential Learning Model and believe in creativity as being fundamental to student success. They are relentlessly positive and know that they make a huge difference to the life chances of our Greenside students.

We are part of the GGL Federation. We work in partnership with Griffin Primary and this adds a wonderful layer of CPD and sharing of ideas across the Federation. We are proud members of The Elliot Foundation MAT and work closely with colleagues across our regions and academies. www.elliottfoundation.co.uk
